Call for Paper Call for Paper

Please join us at one of our annual academic conference locations described below. We have hosted conferences to promote excellence in academic research. Our conference locations are chosen to enhance your experience inside and outside the conference sessions.

We offer four tracks at our conferences: Business & Economics, Law, Education & Social Sciences, and Health Sciences. Papers that receive the “Best Paper” award in each conference session are automatically reviewed for possible publication in one of our journals.

For additional details about our conferences and our academic journals, please visit our website or send us an email.

Conferences
