# Call for Papers Call for Papers

Please join us at one of our annual academic conference locations described below. We have hosted conferences to promote excellence in academic research. Our conference locations are chosen to enhance your experience inside and outside the conference sessions.

We offer three tracks at our conferences:

- Business&Economics, Finance and Management,
- Humanities and Social Sciences,
- Education and Teaching.

For additional details about our conferences and our academic journals, please visit our website or send us an email.
